WORKER SURVEY RESULTS: PART 1 ALBERTA DISABILITY WORKERS ASSOCIATION "Essential But Forgotten"

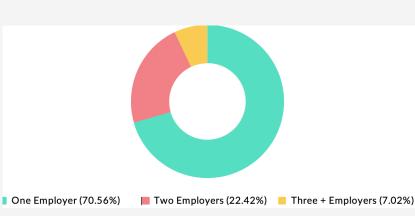

In advance of launching the Essential BUT Forgotten campaign to increase the wages of people employed in Community Disability Services, ADWA reached out to the workforce to gather firsthand information and feedback. Below is Part 1, an initial summary showing who the people are who completed the survey in Dec/21 - Jan/22. We received over 1,200 responses representing our community! Over the next while we will be sharing more of the details of what we heard.
